RPR: Impress Clients and Close More Deals

10am- 11am 1 elective CE Credit

REALTORS® across the country are enhancing their business by using the Realtors Property Resource®. In this introductory class, you'll learn how top agents use RPR as their all-in-one data and information source to build their business and impress clients. You'll also learn how to use RPR Mobile on your Android or iPhone to instantly view properties, create, customize, save, and send reports with your added photos, audio, and text notes. Don't miss this exciting and informative class!

RPR: Mobile

11:30am-1:30pm 2 elective CE Credits

Learn about RPR Mobile™ and how it delivers a vast repository of property information and tools anytime, anywhere. Instantly capture property data using your phone, iPad or Tablet. Create custom-branded, client-friendly reports that can be printed, emailed or texted. Help sellers understand online value estimates versus market realities, and how to use advanced mapping tools to pinpoint searches, and locate neighborhood and school information.
