

# CPIX Training

October 17, 2017  
GMAR: 20 Oak Hollow,

10:00 a.m. - 12:00 p.m.  
Suite 100, Southfield, MI 48033

In this 2-hour continuing education course, Nancy will highlight those hard to find tips and tricks that make data entry, management, report creating, searching, and communication quick and easy. She will also be introducing “Pro Tools” including advanced site selection capabilities leveraging Google Earth, advanced demographics, drive-time analysis and advanced custom report capabilities. Nancy will also highlight the advantages of joining the GMAR/CBOR Alliance to access commercial focused services, tools and education.

## Course Cost

GMAR Members:  
No Charge

Non-Members:  
\$25.00

Please call  
(248) 478-1700
